

The Iranian Embassy Siege

Never-before-seen documentary footage of the six day drama that shocked the world.

For the first time, this feature-length documentary takes you behind-the-scenes and into the front lines of one of the most spectacular rescue operations ever filmed. Our story is told by those actually involved, the SAS, the hostages, the negotiators and with exclusive covert footage filmed at the time. On the April 30th 1980, terrorists holding Iraqi passports, seized the Iranian Embassy in Princes Gate, London, taking 26 people including four British citizens, hostage, so began the drama of the IRANIAN EMBASSY SIEGE which resulted in the final act of the legendary SAS storming the building. **This is the ULTIMATE REALITY TV production of that occurrence.**
