

A 2 DVD DOCUMENTARY SET

## **Queen**DVD Collector's Box

The Queen DVD Collector's Box is a 2-DVD documentary set that proves at length why this legendary group are still dearly loved by so many. This first disc tells the full story of the band and their entire career, pointing the cameras where they have never previously preyed. The second focuses on their music in the 1970s, with footage of classic songs and photographs even the most hardcore fan will be surprised to see. The list of exclusive commentators across both the films includes friends of the band such as Paul Gambaccini, Wayne Sleep and Peter Stringfellow, journalists such as Daryl Easlea and Nigel Williamson, and a host of others.
