Led Zeppelin DVD Collector's Box

This 2 DVD set is a visual celebration of Led Zeppelin, the astonishing music they made, the unforgettable shows they performed and the incredible lives they led as Britain's most successful group. Featuring: one film which charts the story of the band's origins and roots, concentrating on the members' pre-Zep solo careers and taking the story up to the release of their debut album in 1969, and one which follows the rise and rise of Led Zeppelin proper, through their glory years and on to their tragic conclusion in 1980. With rare footage throughout, interviews with the band and those close to them and numerous other features this package provides for the most informative, enlightening, and downright entertaining documentary on the group yet to emerge.
