FLIGHT TO MARS

**WILL THIS BE MAN'S GREATEST EXPEDITION?
OR WILL IT BE MAN'S DOOM?**

From legendary producer Walter Mirisch comes *Flight to Mars*, a stirring adventure from the dawn of the 1950s Sci-Fi boom. Five Earthlings land on Mars and are greeted by a team of friendly Martians. Fearing they have depleted the key mineral used to power their life-support systems, these Martians are determined to get off the red planet by any means necessary — including stealing the Earthlings' ship and invading Earth! Can this group of Earthling space travelers outsmart these diabolical Martians?
