# DOOR-TO-DOOR MANIAC

with ULTRA-RARE BONUS FILM

## RIGHT HAND OF THE DEVIL

From the early 60s, Film Masters brings you two independently produced films both with their own cult following. *Door-to-Door Maniac*, originally released in 1961 as *Five Minutes to Live*, stars Johnny Cash as a hardened criminal (Johnny Cabot). The wife (Cay Forester) of the bank vice president is taken hostage in her own home. What follows is a robbery gone awry in every way!

*Right Hand of the Devil* is a little-known film where Aram Katcher makes his bid to become the next Hitchcock. While a prominent movie director he is not, Turkish-born Katcher does star in the film, and not just on-screen. Producer, story creator, editor, title designer, and costume designer are just some of the other roles he took on with his magnum opus. Katcher leads the cast as an ingenious criminal mastermind who hires a motley crew of questionable henchmen who are intent on robbing a sports arena. Along the way, and critical to their plans, he seduces a middle-aged cashier, but she is not so easily convinced as she may appear. Representative of the neo-noir crime films of that era, these regional films make for a perfect back-to-back viewing late at night!
