

avery r. young *tubman.*

"This strange brilliant brother in tuned to some supernatural source is a cross between **Sun Ra** and **Donny Hathaway**."

Terrance Hayes
Poet/MacArthur Fellow

"...a righteous throwback to early '70s funk."

Britt Julious
Bandcamp Daily

For fans of:

Funkadelic, Curtis Mayfield, Gil Scott-Heron

Poet, singer and songwriter avery r. young marinates social commentary in gospel, blues and funk to create a salty concoction he calls sousefunk. His band, de deacon board, channels **Gil Scott-Heron**, **Parliament** and **Curtis Mayfield**, charting a course for poetry and music through our rocky present. He makes his star turn with second album **tubman.**, featuring guest appearances from **Sam Trump**, **Nicole Mitchell**, **Tomeka Reid**, and **Grammy nominee Billy Branch**, and spiritual guidance from friend **Jamila Woods**.

The album accompanies his first volume of poetry *neckbone: visual verses* (Northwestern University Press, 2019).

tubman. will be available as a CD or LP in deluxe gatefold packaging from FPE Records, July 19, 2019.
