

# JUNGLE JUICE

## Involuntary Convulsions EP

Jungle Juice are a powerviolence infused hardcore band from Arkansas. Emerging onto the scene in 2010 - they bring a burly and in-your-face attitude to add to the blasting hardcore that beats out of their base sound. Bringing influence from everyone from modern hardcore to classic grindcore - they create a variant of murderous hardcore! 200 on Clear, 100 in Gold vinyl.
