» **More nervy sonics from Mr. Wydler and Mr. Mullins – strange, complex and dystopian and, well, sort of gorgeous.**«

**NICK CAVE**

Morphosa Harmonia, is the duet album between Thomas Wydler longtime drummer-alumni of Nick Cave and The Bad Seeds and Die Haut, and Toby Dammit, also known as Larry Mullins, who has since joined the Bad Seeds as well.

Wydler gathered an amazing cast of musicians, including Kristof Hahn (SWANS, Les Hommes Sauvages), Jochen Arbeit (Einstürzende Neubauten, Die Haut, Automat), Yoyo Röhme (SWANS), Beate Bartel (Liaisons Dangereuses, Mania D, Matador) and Martin Peter (Die Haut) for the production.

Originally released in 2004 on CD only, a vinyl version was planned, but Hit Thing closed doors, thus the album retreated into the shadows – unknown to many – until now ...

180 gram gatefold vinyl including 16-page art print booklet featuring original artworks by Martin Eder.

» **These aren't soundtracks. Each piece is a film in itself. Seductive and sensual worlds where I personally would like to live.**

**Masterful!**«  
**MICHAEL GIRA / SWANS**

» **You're driving the cliffhanger road in an old Ferrari, sweating, there's a kilogram in the rear seat; you're handsome but past it, hair is thinning, phone is buzzing, and you just need to make it to your girlfriends place, one more time. Morphosa Harmonia is your life story.**«
