2012 GRAMMY® nominee for Best New Age album  
updated, remixed and tuned to 432 Hz for increased sales!

Halpern's best-selling brainwave entrainment compositions provide proven access to the alpha wave 'flow state' for peak performance, stress relief, relaxed alertness, inner peace.

Beautiful ambient soundscapes tuned to 432 Hz are in demand by current audiences and streaming services for higher healing potential, enhanced with brainwave synchronizing frequencies.

Featuring GRAMMY® winners Paul McCandless (oboe tk.1) and Michael Manring (fretless bass tks. 3, 7) add heart-felt melodies and harmonic sophistication to this timeless masterpiece.

Halpern's brainwave entrainment series is the gold standard for the genre he helped pioneer in 1980.
