LMFP is proud to announce, for the first time ever, the release of the complete soundtrack for "It Was a Short Summer, Charlie Brown." Celebrating the special's 55<sup>th</sup> anniversary, this is the Vince Guaraldi score to the animated classic written and created by Charles Schulz, directed by Bill Melendez and produced by Melendez and Lee Mendelson that originally aired on September 27, 1969.

Newly re-discovered in our vaults, the original recording sessions for Vince Guaraldi's beloved soundtrack have been remastered for audiophiles and Peanuts® fans everywhere. All versions of this release include 21 tracks of cues from the special plus 6 bonus tracks never before heard since their recording in 1969.

Guaraldi lovingly created the soundtrack for the summer camp adventure where Charlie Brown and the boys' camp face off against Peppermint Patty and the girls' camp, and includes Guaraldi hits from the original sources like the swinging brass-filled "Charlie Brown Theme," "Linus and Lucy," and "It Was a Short Summer, Charlie Brown." There are bonus tracks of alternate takes, like the never before heard "Bus Blues (Alternate)," "Pebble Beach (Alternate)," and "Masked Marvel (Alternate)" to name a few. The large jazz combo album also performs the best rendition of the Guaraldi classic, "Love Will Come (Nova Bossa)."

In addition to the composer's piano playing, the band is comprised of legends who lent their talents for this final Peanuts® special soundtrack of the sixties. The music will get your summer grooving, just as it did the Peanuts® gang 55 years ago. The album was restored and mastered by Vinson Hudson, and produced by Sean Mendelson and Jason Mendelson. The album will be available on CD, Vinyl, and digital. The CD has an 8 page insert and the vinyl has a 4 page insert. Both the CD and Vinyl include liner notes that give a track-by-track analysis by Derrick Bang (author of "Vince Guaraldi at the Piano") and notes by Sean and Jason Mendelson, sons of Peanuts® producer Lee Mendelson and album producers.
