## HIGHER ED

Ed (Pras from the Fugees) is an inner-city kid who enters college on a track scholarship to escape some thugs from his drug-dealing past. Campus life, however, is filled with hurdles, and Ed's stoner roommate, Bud (Aries Spears), makes it hard not to fall back on old habits. Fortunately, his new romantic interest, Lisa (Leila Arcieri), provides the incentive for Ed to cross the finish line, if only he can win her away from her jock boyfriend, Craig (Hill Harper).
