Caamora

She

New project of Clive Nolan (Pendragon/Neo).

"She" is a unique event on the world-wide scale! This fantastic release is a must have for all fans of the best quality progressive/rock music! Caamora represents the partnership of Clive Nolan (Pendragon, Arena) and Agnieszka Swita in a lavish and creative collaboration. The musical version of 'She' is based on the classic novel of the same name by Victorian adventure writer H. Rider Haggard. Clive first encountered this story 25 years ago when he saw the film as a child. The musical landscape of 'She' is wide and varied: from the close, intimate sounds of voice and piano, through to the exhilaration and power of orchestra and choir, the music is intense and colorful.
