Retail	$17.95
Genre	Metal
Run Time	63 mins
Box Lot	25
Label	METAL MIND
Format	CD

Optimum Wound Profile

Lowest Common Dominator

Optimum Wound Profile is **one of the most fascinating industrial/hardcore projects that emerged in the '90s**. Formed in 1991 in Ipswich, UK, the sextet proposed a powerful combination of metal, crust punk, hardcore and sampling technologies, sealed tightly in a cage of pure condensed madness. Terrorizing the listener with a fiendish mixture of disturbing samples, angry vocals and heavy guitar work, **the band's debut album**, "Lowest Common Dominator," r**eleased for Roadrunner Records in 1992**, stands out as a truly impressive piece of industrial craftsmanship. **This reissue is digitally remastered in a limited, numbered edition of 2000.**
