## The Journey Into The Heart Of Darkness

The band was formed in 1997. They started by playing covers of bands like Black Sabbath, Deep Purple, Metallica and Kiss. 2005 was a very fruitful year for the band: in September they signed a contract with Empire Records. In November and December they recorded "The Journey Into The Heart Of Darkness" in "Taklamakan" studio, Opalenica. Since then, they have been constantly touring. Now, Metal Mind Productions decided to make a worldwide release of their second fantastic album "The Journey Into The Heart Of Darkness". It's a heavy-metal masterpiece for all lovers of the best quality metal music! It also features guest appearance of Grzegorz Kupczyk (Ceti, Turbo)!
