

Artillery

One Foot In The Grave, The Other One In The Trash (Limited Edition Version)

First DVD release by Artillery feat. their fantastic gig at Metalmania Festival 2008 in a limited edition with bonus CD!

Artillery's first DVD featuring a fantastic gig the thrash veteran gave at Metalmania Festival 2008! The outstanding guitar play of brothers Stützer, charismatic Carsten Nielsen's powerful drums and the uncompromising thrash energy of Søren Adamsen's voice ruthlessly hammered their way into the hearts of the headbangers assambled on that occasion. Artillery launched a veritable blitz, bombarding their fans with a skull-breaking selection of some of the best songs from their entire discography, including great thrash metal masterpieces like "By Inheritance" and "Khomaniac"! The DVD will also include many great bonus features such as extra video material: Allergic to Knowledge (video clip), Terror Squad (video clip), The Almighty (bootlegged at "The Rock", Copenhagen, 2008), Missing Link - Lobotomized (video clip) plus interview with Michael Stützer, interview with Morten Stützer and Carsten Nielsen and more.
