Credo - This Is What We Do: Live In Poland

The first DVD release of British masters of neo-prog-rock often called "a lost gem from the early years of Marillion."

DESCRIPTION

For the first time on DVD: British masters of neo-prog-rock, „a lost gem from the early years of Marillion" live at the Wyspiański Theater in Katowice, Poland! The astonishing charisma and distinctive vocals of Mark Colton, lush and profound guitar solos performed with unbelievable ease by Tim Birrell, beautiful soundscapes evoked by the keyboardist Mike Varty (also known from such bands as Landmarq, Shadowland, Jannison Edge, and Mick Pointer's project Script for a Jester's Tour) and the unfailing rhythm section of Jim Murdoch and Martin Meads! Above all, great compositions - combining good prog-rock traditions with extremely catchy melodies - performed with energy and charisma which could as well be envied by Fish himself! The DVD also features: a selection of archive bootlegs, behind-the-scenes footage, an interview with Mark Colton and Mike Varty, bonus audio tracks (including 3 songs from the band's first demo from 1992), Dolby Digital 5.1 Surround Sound and more!
