EAR CANDY DEBUTS ALL-NEW MATERIAL AND 'SWEET' NEW RECORDINGS BY OSAKA POPSTAR WRAPPED IN A CANDY-COATED PUNK-ROCK PACKAGE SURE TO INDUCE A SUGAR RUSH!!

Fronted (and produced) by longtime Misfits and Ramones collaborator John Cafiero on vocals, with Dean Rispler (formerly of NY performance art-rock band The Voluptuous Horror of Karen Black) switching off on guitar and bass duties, with Jon Wurster (of Superchunk, Bob Mould & The Mountain Goats) on Drums. Includes guest appearance by indie rocker Colleen Green on backing vocals for two tracks, gorgeous front cover art by Josh Howard (Dead @ 17 comics), wicked back cover art by Jeff Zornow (Godzilla comics), kawaii black metal interior art by Nemons (Gary Hall), download card w/ MP3s + an exclusive variant full-color 24 page "Sweetie Candy Vigilante" digital comic book unavailable anywhere else!

In addition to being one of the coolest and most unique looking vinyl records you're ever to find, Ear Candy is cut at 45RPM for maximum sound quality.
