## Sweetness & Blasphemy

**Sweetness and Blasphemy - an assembly of Symphonic Black Metal and Melodic Death Metal with Gothic influences!**

First full-length album by Greece Symphonic Black/Death Metal band. "Sweetness and Blasphemy" - an assembly of Symphonic Black Metal and Melodic Death Metal with Gothic influences, the themes represented in band's texts are mainly horror/dramatic. The album will be divided in two sides, the Sweetness Side - contains the more melodic songs and the Blasphemy Side - instead contains the violent songs! This style remember the classic Cradle of Filth / Dimmu Borgir with Arch Enemy's voice style...

Essentially band's interpretation of the Symphonic Black/Death Metal, that focuses on impact and the tone of voice!!!

For fans of: Cradle of Filth, Dimmu Borgir, Arch Enemy...
