

# I MISS MY DEATH

## In Memories Presentation Show - Live In Kiev 2013

One of brightest band performances was organized and we glad to present it to you!

The debut DVD by Ukrainian Gothic Doom Metal band.

"In Memories" is not just a collection of compositions but a whole story that can be traced from song to song. It's the story where each chapter is a new round of a sad legend with lonely and opposed to the whole world romantic hero in its center. And this legend must be told properly!

That's why I Miss My Death members approached to Presentation Show of the debut full-length album responsibly. Expansion of music staff by string section and backing vocals allowed to make music more intense and dramatic, interesting duo created livelier atmosphere, changeless aristocratic style found its embodiment in the new bright costumes. As a result one of brightest band performances was organized and we glad to present it to you!
