

MIND AFFLICTION - Into The Void

"Into The Void" - the second full-length album by Polish Progressive Black/Death Metal band MIND AFFLICTION.

The second full-length album by Polish Progressive Black/Death Metal band.

"Into The Void" explores the idea of cosmic chaos and the terror of the unknown, leaning towards Lovecraftian themes.

This release retains the haunting melodic quality and genre diversity of the first record, while enhancing it with tighter and more rhythmical guitar lines, and heavy hitting drums.

The two vocals, for which the band has become known for, are as aggressive as ever, and - together with the brutal guitarwork - create a powerful mix, while pushing the listener further towards the precipice of madness.
