BAD BRAINS

LIVE AT CBGB 1982

THE AUDIO RECORDINGS

This breathtaking performance displays why Bad Brains became one of the most important bands in the history of American Hardcore.

On Christmas Eve 1982, Bad Brains began their three-day stint at a Hardcore Festival hosted by legendary CBGB. This CD represents the very best of these shows, culled from

over 4 hours of recordings. Their live performances were legendary, their visual recordings were impossible to find. Now, this powerful performance is revisited in extraordinary fashion.
