

Impaler

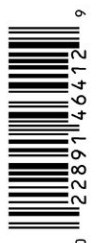

Alive Beyond The Grave

This is the first official live recording released by Impaler in their almost 25 years in the Horror/Metal business. Recorded summer 2006 in front of a hometown mob at the now defunct Star Central nightclub (R.I.P.) in Columbia Heights, Minnesota. This CD touches on all the fan favorites from their Combat Records days (Shock Rock, Bloodbath) right through to the last studio effort 'Habeas Corpus' (Follow Me, The Last Ride) plus tracks from every disc in between (It Won't Die, Legend Of The 13 Graves) plus Impaler's version of The Ramones classic Pet Sematary! This will be the audio equivalent of being at an Impaler show (only not as messy, The blood gets everywhere!!).
