

Plastic Crimewave Sound No Wonderland

This is the first time on CD for Plastic Crimewave Sound's 2LP opus, originally released on Eclipse Records and now long out of print in its vinyl form. This is the record you always wanted PCWS to make; stretching out their influences and delving deep into the paranoid times of today, tomorrow and yesterday. You will hear mammoth psych jams, acid punk, soundscapes, heaviness and calming drones. Featuring cameo appearances by Michael Yonkers, Devendra Banhart, Josephine Foster, Fur Saxa, Spires that in the Sunset Rise, Chris Connelly, and more. Absolutely stunning psych for fans of Hawkwind, Can, Pink Fairies, Acid Mothers Temple and brain damage in general.
