**CBGB OMFUG Masters: Live October 13, 2006  
The Bowery Collection**

*NYC glam/trash/punk originals take it back to the birthplace one last time!*

The Sic F\*cks were one the earliest NYC punk/glam bands, formed by Russell Wolinsky with famous NYC scenesters/sisters Tish and Snooky after their stint as backup singers in Blondie. Herky jerky rhythms and witty lyrics combined with an only-possible-in-NYC glam/trash style made for an incredible band. This live set features the band running through their best songs for a loving audience at the world famous CBGBs. And yes, Tish and Snooky are the ladies behind the world famous Manic Panic boutique in Manhattan and the cosmetics products of the same name!
