

The Meatmen - Cover The Earth!

Brand "spanking" new CD from Tesco and the Meatmen. A cavalcade of classic cover tunes, reverentially rendered by the Mighty Men of Meat!

DESCRIPTION

After a 12 year lapse, The Meatmen bounce back big with a 24 track ode to the tuneage of yore with "Cover The Earth" which features all of Tesco's favorite musical blasts of the last 40 years. Some are obvious... FEAR/ GG Allin/Johnny Thunders and some are real headscratchers... Jimmy Dean/10CC/The Temptations. All delivered in reverential but irreverent form by the latest and greatest men of Meat! Features a full color 12 page booklet and all the between song schtick one comes to expect from a new Meat platter. Also features a return of the legendary Hebrew pitchman Shecky Schpilkus in "Sex Mart 2010." Sure to please those hardcore Meat fanatics as well as suck in many new converts into their scatologically delightful web of sin, The Meatmen's "Cover The Earth" is an out of the box classic.
