Honeymoon: Japan's Biggest Sex TV Station

Video gamer Ono dreams of becoming an adult film director. Makoto dreams of becoming a porn star. Welcome to the absurd world of Paradise TV, Tokyo's 24 hour-a-day interactive sex channel. Honeymoon explores modern Japanese society through the prism of sexploitation and reality TV. Directed by Drazen Stader of Slovenia, the film has a unique cultural viewpoint successfully mixing the European cinematic experience with an American rock video mentality, all blended (not stirred) by severe Asian influences. The result is Honeymoon, a tragicomedy of epic sexual proportions.
