The Beatles

Destination Hamburg

From the formation of the Quarrymen in 1957, and The Beatles early years in Hamburg, this 60 minute music documentary **uses contemporary film, and recently rediscovered and restored footage to tell the definitive story of The Beatles, their rise to international stardom and their crowning as one of the most successful bands of all time.** Containing **rare and exclusive interviews from those who knew them best and featuring the musical recordings of Tony Sheridan, an early collaborator of The Beatles,** Destination Hamburg is the ultimate Beatles DVD!
