## 15 Years Of Videos, History & Violence

*15 years of music videos, never before seen footage of live shows, studio sessions, record signings, music video shoots, personal moments and more!*

This one of a kind DVD showcases not only fifteen years of ONYX's music videos, but never before seen footage of live shows, studio sessions, record signings, music video shoots, personal moments and general chaos. Special features include five solo videos, audio commentary on all seventeen videos from Fredro Starr and Sticky Fingaz, Slam karaoke, an exclusive photo gallery and other madface goodies. All music videos are uncensored and have been re-mastered from their original reels. ONYX's energetic, raspy, hardcore style introduced rap to the mosh pit. They made you want to THROW YA GUNZ. They taught you how to SLAM. They made you feel SHIFTEE... now you can relive the madface invasion with "Onyx: 15 Years of Videos, History And Violence."
