Sting Jamaica 2003

Gentleman, Elephant Man, Beenie Man, Vybz Kartel, Junior Kelly and tons more!

Since it started back in 1984, Jamaica's Sting Festival, "The Greatest One-Night Reggae Show on Earth", has established itself as the island's premier one-night reggae show. Held each year in Portmore, Sting is renowned as being a showcase for the best reggae acts, primarily dancehall, which Jamaica has to offer. Its performers invariably rise to the occasion and it has witnessed many memorable performances over the years. This 2-disc DVD set recorded live in Portmore, St. Catherine, Jamaica on December 27, 2003 features vital reggae acts like Gentleman, Elephant Man, Beenie Man, Vybz Kartel, Junior Kelly, and tons more. The concert was brought to a dramatic and premature end following an on-stage brawl between the often-controversial Ninjaman and Vybz Kartel, who subsequently both made up. With over 4 hours of footage, this set is a must for all true fans of reggae music.
