

The Meatmen

The Devil's In The Detail Volume 1

Live footage from 1979-2007, music videos, Tesco on TV and countless other acts of mindless mayhem!

This 90 minute romp through the last 30 years of Meatdom traces the origins of the most bombastic, purely sophomoric punk band of pranksters ever to pounce on an unsuspecting public. Tesco Vee, drum major in the squadron of doom, leads the manic maelstrom of hate-filled fun and frolic with live footage from 1979-2007, Tesco on TV, and more mindless moronic mayhem than shouldn't be allowed by law. Punk archivist Dirk Boinker has spent the last 2 years pouring over tapes, splicing, repairing and mentally masturbating his way to this... the sinsational final product! The only DVD officially endorsed by Satan.
