

GG Allin - Best Of GG Allin and The Murder Junkies

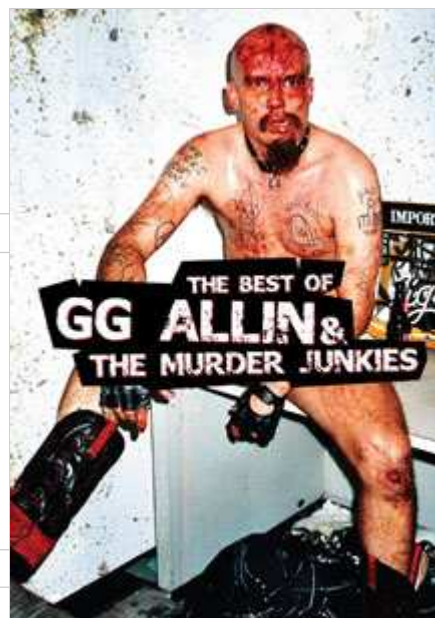

An incredible collection of the best live performances and most disgusting moments on one DVD.

DESCRIPTION

Here's a collection of live performances and disgusting moments together on one DVD. The very best of the very worst of GG Allin & the Murder Junkies. "GG Allin lived out his lyrics to the fullest, and would make you feel his pain, no matter what style of music he was doing. Not only was GG ALLIN one of the most feared and hated front men of all time, he was also a creative open minded force. His music range varied from Punk to Hard rock mainly, but his love for true rebel acoustic songs often bled through. He had a style that rings true to this day. From the kids on the streets, or the squatters that live their life hopping trains from town to town, GG's spirit will live on in the underground until mankind is destroyed." - Hank III
