

## Post Apocalyptic Cowgirls

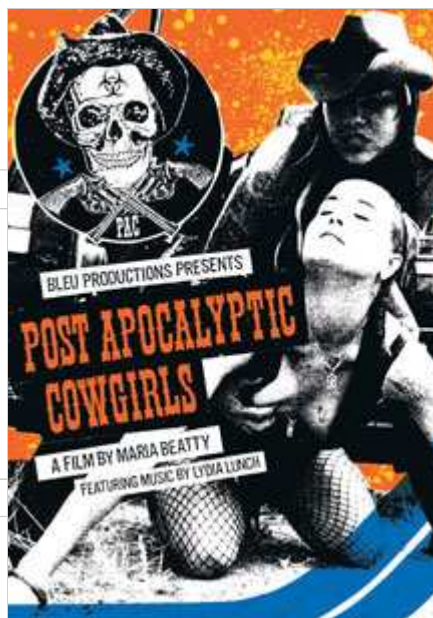

"Raunchy fun down on the ranch. Post Apocalyptic Cowgirls is hot, nasty and horny as hell." -Lydia Lunch

### DESCRIPTION

After the Third World War and global warming have transformed the planet into a desert... What remains? Two post-apocalyptic cowgirls in leather and Stetsons! A tough exotic amazon with a gun and boots hitchhikes on a bleak Arizona highway. A car stops. A delicious submissive invites her into the car. The chemistry between these two sexy, dangerous lesbian chicks is gonna make you hotter than the desert sun. They spank, fist-fuck, lick and play with boots, guns, snakes, and cacti in the dust. Their sex is a dripping wet oasis from the heat! Music by Lydia Lunch with additional music by Yann Jaffiol and Bunny Rabbit.

### BONUS MATERIALS
