## FAMILY & FRIENDS

**ROGER CHAPMAN** shot to fame as lead singer/songwriter with FAMILY in the late 60's/early 70's notching up TOP 10 Hit singles and albums around the world. STREETWALKERS was his next band which enjoyed enormous commercial success in Europe followed by ROGER CHAPMAN AND THE SHORT LIST, which has played to sell out audiences throughout Europe for the past two decades. Roger Maxwell Chapman will be 60 years old this year, and there is perhaps no better time to reflect on his burgeoning back catalogue.

In 2002, Angel Air filmed **Roger in concert at a sold out Newcastle Opera House during the opening leg of his then UK tour.** His band SHORT LIST support Roger as he trawls through his enormously popular catalogue and provides over 2 hours of Classic Rock sung and played the "Chappo" way. **This DVD is a timely reminder of a great vocalist and a great band who gloriously prove the timeless international appeal of quality rock music.**
