## 76-06: 30TH ANNIVERSARY CONCERT

**It has been 30 years since Racing Cars unique blend of rock and funk first found favor with the UK's gig goers...**

This DVD was filmed at their 30th Anniversary Concert to a packed house at Pontardawe Arts Centre in Wales on July 7th 2006. Most people's introduction to the music of RACING CARS would have come in the spring of 1977 when they had a UK Top 20 Hit Single with "They Shoot Horses Don't They?" Now over 30 years later they are still releasing critically acclaimed albums and touring heavily in the UK. Racing Cars have plenty of laps left in them and as this DVD shows they remain one of the great British bands.
