KRAZY KILLER

KRAZY KILLER includes exclusive home video footage of Gene and Paul with their lawyers and police storming the **DETROIT KISS KONVENTION** on July 17th 1994. They raided the KISS museum and took back all their old KISS KOSTUMES and boots which they claim were stolen from their New York warehouse. Afterwards, the Q&A session turns into pure chaotic mayhem and the crowd goes totally insane!! Also featured are several different Detroit news clips from local TV stations covering the events at the KONVENTION that day, followed by an interview with Gene on the tribute album. In addition, this DVD features a further very early, unedited interview with the original KISS line up in their crazy costumes. **This DVD is a must for any KISS KOLLECTOR!**
