

Deleted Scenes - Young People's Church Of The Air

DC band's debut record on Park The Van Records

Description

Washington DC stalwarts Deleted Scenes released their debut album Birdseed Shirt to Pitchfork's rave reviews, calling it "ferocious, brave, and a well-balanced demonstration of both thoughtful existentialism and strange, drowsy downers" (Pitchfork, 8.0). Deleted Scenes' sophomore album Young People's Church of the Air, which will be released by Park The Van Records this summer, pushes the band's formidable rhythm section further, exploring the possibility of hope.
