

# Mary Wells

## Greatest Hits

This DVD was recorded live at the Rock 'n Roll Palace in Orlando, Florida. Founder of the world famous "Motown Sound," Mary Wells is considered not only one of the best female singers in the music industry, but also a vital part of the success of the prestigious label. Her intimate and assertive voice, mixed with a soulful urgency, gave Wells a distinctive sound. On July 28, 1992, the First Lady of Motown died. She was just 49. Gone was the soft, beautiful voice of Mary Wells.... but never forgotten.
