

GENE WATSON...

...SINGS HIS GREATEST HITS

DVD

Gene Watson Greatest Hits

This stunning performance was **recorded live at the Church Street Station Theatre in Orlando, Florida.** Here Gene Watson, a real singer's singer, puts on one of his trademark breath-taking performances. **'The world stops spinning when he sings,'** marvels **Robert K. Oermann, the dean of country critics.** In his voice is all the ache of existence. In 1974, when Watson's steamy single ***Love In The Hot Afternoon*** made the **Top 10** it ignited a firestorm of hits including ***Farewell Party*, *Fourteen Carat Mind*** and ***Speak Softly You're Talking To My Heart*** - all of which are included on this DVD! He will always hold a special place in the hearts of country-music lovers around the world.
