# Gary Morris Live

This stellar performance was recorded live at the Church Street Station Theatre in Orlando, Florida and features Gary Morris with special guests Denice Price and Downs & Price. The romantic ballads of Texas-born Gary Morris were staples of country radio in the 1980s -- none more so than "The Wind Beneath My Wings" from the 1983 "Why Lady Why" album that put him at the top of the charts, as did the follow up "The Love She Found In Me" and a further 16 Top Ten singles. **These hits are all included on this DVD featuring the natural performer and a vocal powerhouse.**
