# Gail Davies Greatest Hits

This stunning performance was recorded live at the Church Street Station Theatre in Orlando, Florida and features Gail Davies with special guests Denice Price, Downs & Price and Barbara Fairchild. Country Music International recently referred to Davies as “**One of the most important and influential female singer/songwriters to have been involved in country music in the past 20 years.**” She was the first woman to produce her own records and is **cited by current divas Kathy Mattea, Susy Boggus and Pam Tillis** as their role model, the person who kicked open so many of the closed doors on Music Row. **This DVD is a fine example of her incredible ability.**
