# Frank Sinatra When You Are Smiling

In 1957, the Bulova Watch Company sponsored *The Frank Sinatra Show*, a variety show starring Sinatra and airing on Friday nights on the ABC Television Network. This show was taped in November of that year and featured special guest stars Dagmar, comedians Tim Herbert & Don Saxon, Eileen Barton, pianist Joey Bushkin and June Hutton. This program is remastered from the archive tape of the broadcast and is the original broadcast including the sponsors promotional segments. While the quality of reproduction may not meet modern technological standards, it is a rare record of some of the most popular performers of the Twentieth Century performing together.
