

# BERNARD ALLISON ENERGIZED

— LIVE IN EUROPE —

This DVD features an incredible 14-song performance from Bernard Allison's 2005 Fall European Tour. It documents one of the most formidable bands on the blues-rock circuit at the height of their artistic powers. Whereas Allison's previous live release featured his funky late 1990s line-up, ENERGIZED shows you what he and his current bandmates have become in the past five years: a fiery and ferocious unit with a hard rock edge.

The set features stand-out cuts from his most recent studio albums, like the crowd-pleasing "I Just Came Back To Say Goodbye" and the sensitive "The Way Love Was Meant To Be." Bernard shows his technical prowess on "The Walk" and "Wah Wah Action." And of course, he pays homage to his father with a number of Luther Allison songs. It's the kind of stellar performance that keeps fans coming back year after year.
