A FILM BY ÁLEX DE LA IGLESIA

THE DAY OF THE BEAST

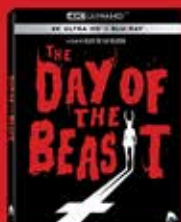

MARCH 2021

**“A MUST-SEE SPANISH HORROR FILM...
A fast-paced thrill ride that’s as funny as it is horrific and offensive.”**

Bloody Disgusting

**RESTORED ON BLU-RAY/DVD
FOR THE FIRST TIME EVER IN AMERICA**

In between his cult hit debut ACCIÓN MUTANTE and proudly depraved PERDITA DURANGO, writer/director **Álex de la Iglesia** delivered the international smash that remains one of the best horror comedies of our time: When a rogue priest (**Álex Angulo** of PAN'S LABYRINTH) discovers the exact date The Antichrist will be born, he'll enlist a Death Metal record store clerk (**Santiago Segura** of KILLER BARBYS) and a cheesy TV psychic (**Armando De Razza**) for an urban spree of "gore, sacrilege and twisted humor" (*San Francisco Chronicle*) to prevent the Apocalypse by summoning Satan himself. **Terele Pávez** (800 BULLETS) co-stars in this "classic of modern Spanish cinema" (*Screen Anarchy*) – winner of 6 Goya Awards including Best Director – now **restored in 4k from the original negative** and loaded with **all-new Special Features**.
