

# Rhythm & Blues

*A Comedy about love, murder, etiquette, male escorts and puppets.*

Boys Galore Escort Agency is looking for a few good men. Enter JOHN (Paul Blackthorne - 24, ER) the mysterious and sexy 'new kid in town' who is instantly befriended by BYRON (Ian Henderson) a loutish Scottish skinhead who knows how to hustle. Our desperate duo are taken under the wings of the agency's demented owners MITZI (Gary Fairhall) and BETHSHEEBA (Sue Tilling) and are immediately dispatched to the palatial residence of Boys Galores' wealthiest client, the larger than life, pleasure seeking BAD DADDY (Angus MacInnes - Hellboy, Witness, Star Wars). With the help of a few more 'good men' and Bad Daddy's closest friends, things look set for an unrivaled night of fun and frolics until a sudden turn of events steers the evening onto a catastrophic course for paranoia, passion, love, murder and a little puppetry. Filmed entirely on location in and around London, Rhythm & Blues is raunchy and outrageous slapstick that sidesteps political correctness and good taste.
