

GUNS N' ROSES

2 Classic Albums Under Review

Use Your Illusion I and II

LIMITED COLLECTOR'S Edition

Guns N' Roses 2 Classic Albums Under Review: Use Your Illusion I and II

This DVD is a documentary film about the Use Your Illusion double set – the people who made them, the process of making of them, the tour that surrounded them and, most crucially, the awesome music they contained. It features rare footage of the band from that time, including exclusive backstage film rarely seen before; lengthy interviews from musicians and vocalists who were there working on the records and the tour; comment from friends of the group and scenesters from the L.A. rock underground; insight and critique from biographers, journalists and DJs who championed Guns N' Roses throughout their career, and many other notable contributors. Also includes seldom seen photographs, location shots, news footage and much more. Released simultaneously in September 1991, the brace of albums making up the Use Your Illusion double set made history before most fans had heard a note - never before (and never since) had any band or artist occupied the billboard chart positions one and two in the same week.

Bonus

- Guns N' Roses Exclusive Gaming Feature
- 'The Pre-Guns Collectives' – Rare Footage and Insider Comment of and about the bands that predated Guns N' Roses
- Full Contributor Biographies
- Beyond DVD section.
