Back in 1973 MARK KNOPFLER auditioned for the Buckinghamshire based band BREWERS DROOP and as a fresh faced 21 year old he beat the other thirty five applicants for the job as guitarist.

Listen and enjoy the fledgling Mark Knopfler cultivate the sound that was to make DIRE STRAITS a worldwide success story

The band toured throughout the UK and Europe and by May 1974 had completed over sixty gigs and had recorded their album "The Booze Brothers". The band began as a good rocking Cajun band and progressed into a tight, productive unit.
