KEVIN JOHNSON made the UK Top 30 in 1975 with the hauntingly memorable "Rock & Roll I Gave You The Best Years Of My Life". The song had originally been released back in 1973 and made Kevin's native Australian Top 5 before making the USA Billboard charts. It did not originally chart in the UK until it was rereleased on the UK label slightly edited in late 1974.

Kevin has had much chart success around the world over the years and this release includes his original charts hit from UK, USA, Australia, Germany, Ireland, Canada and New Zealand to name just a few of the countries that his songs and performances have resonated with the record buying public.
