**DAVID COURTNEY** is a Grammy nominated award winning internationally acclaimed songwriter and record producer. **HARRY NILSSON** once described him as "the English **PHIL SPECTOR**".

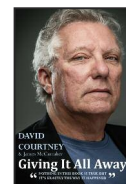

David's career has taken him on an incredible journey which reads like a film script. He drummed for **ADAM FAITH** in **The ROULETTES** and then discovered **LEO SAYER**, co-writing and co-producing many of his greatest hits including "The Show Must Go On", "One Man Band" and "Long Tall Glasses". He has also written and produced hit records and albums for **ROGER DALTRY**, **DOLLAR**, **JOE EGAN** and **ODYSSEY** to name just a few. He has in excess of 30 million global record sales to his name and "Anthology" features track after track written or produced by him.

"The Daltrey album co-written and produced by David Courtney is one of my favourites and one of the great, probably underappreciated albums ever" **SIR ALAN PARKER CBE**
