DANIELZ recorded this album at the end of the 80's after his band **TARAZARA** had split (the darlings of the rock music press in 84/85 including **SOUNDS** and **KERRANG**) and before he formed his **T REX** tribute band **T.REXTASY** which over the past 20 years he has created and maintained one of the most sought after tribute bands in the UK.

"Some Romantic Night" has some outstanding tracks which give a nod in the vocalisation lyrical content to **MARC BOLAN**. Danielz assembled a stellar cast of musicians to record the album including Tom & Tim Farmer (**BLACKFOOT SUE**), Paul King (**MUNGO JERRY**), Lindsay Bridgewater (**OZZY OSBOURNE BAND**) and Ced Sharpley (**GARY NUMAN**)
