**ROBERT PLANT, GLENN HUGHES, PHIL LYNOTT, DAVID BYRON, ROY WOOD, JOHN WETTON and PETE WAY** could easily be a list of possible nominees for the rock'n'roll hall of fame. However what connects these legendary artists is that guitarist and singer songwriter **ROBIN GEORGE** has collaborated, recorded or written songs with each and every one.

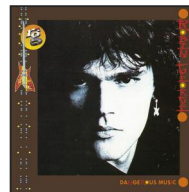

*"Painful Kiss"* is an album of songs he has recorded with some of the most talented musicians you could hope to hear, yet forward thinking by presenting them in a way he always imagined they would sound. The resulting album is a revealing, honest album positively dripping with passion, authenticity and as Robin says *"many of these songs have an interesting history"*
